Studio Overview

Welcome to our state-of-the-art film studio, where creativity knows no bounds and every frame comes to life in stunning detail. Located at the crossroads of innovation and imagination, our studio is the perfect canvas for your next project.

Step into a world of endless possibilities with our exceptional features.

Features:

270° Cyclorama

Our cyclorama sets the stage for your creativity to shine. 20x30x34 this 3-wall cyc can house most daily production needs.

30' x 30' Lighting Grid

Our grid provides flexibility to rig lighting and other elements for your production. Additional lighting elements can be hung from the grid upon request.

Built-in Wash Lighting

Our grid comes pre-hung with 5 Aputure 600D lights with space light attachments to give the walls of the cyc an even wash. The pre-hung general wash is dimable and controlled with a remote.

Gear & Grip Support Available

We offer a selection of cameras, camera support, lighting, grip equipment and soft goods to enhance your production quality. Our range of equipment is at your disposal to bring your creative ideas to life.

Expert Crew Support Available

Our experienced and professional crew is ready to collaborate with you, offering insights and assistance that will elevate your project to new heights. From camera op, grip, gaffer, A1, Teleprompter Op and more our crew's expertise is at your service.

12' Photo Backdrops

In addition to our cyclorama we have a separate area designated for 12 ft seamless backdrops allowing for a secondary shoot location within the space. White, Black, and Green are default color options available.

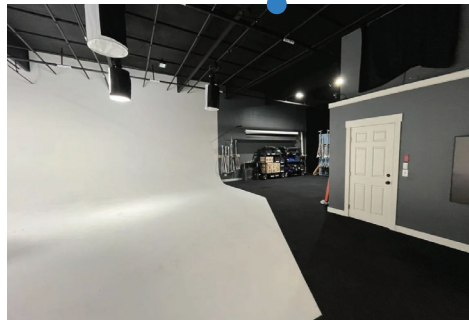

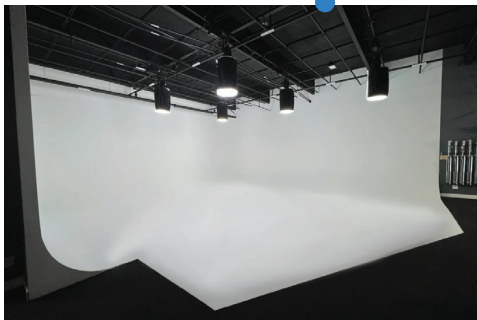

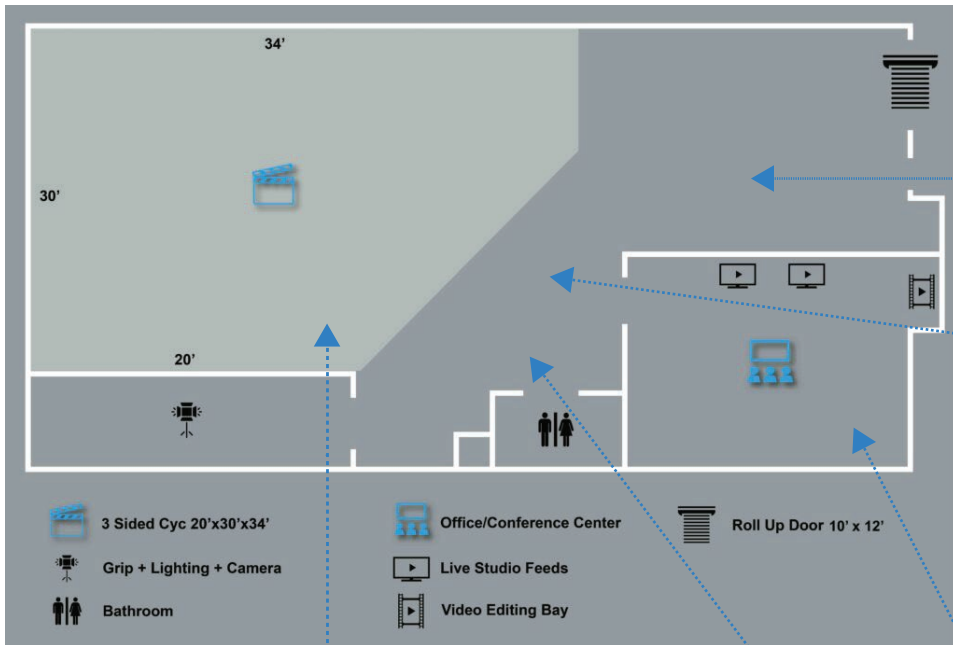

Production Office

Stay organized and efficient with our dedicated production office space. Plan, strategize, and manage every aspect of your project with ease. With comfortable seating, conference table, refrigerator, and wifi.

Client View Station

Our production office comes equip with two 55in monitors that by default port in a birds eye view of the cyclorama space and a direct feed from any cameras your production is deploying (including multi angel view)

Information

Your Point of Contact:

This is the teammate that runs the show on your end and will be in contact with our studio manager. They'll be required to be present for the entirety of the production and to inform the crew about what's permissible in the studio. All crew members and their actions while in the studio are the responsibility of the Point of Contact.

Overtime:

Prepping and breakdown times are included in the rental times. Any additional time needed beyond the previously discussed times will result in an overtime charge of \$130/hr.

Cleanliness:

Before each rental, our team preps the studio to be ready for you. We expect that your crew returns our space to the same way as when you arrived. An extra fee of \$150+ will be added if the space isn't cleaned in addition to the mandatory \$250 cleaning fee.

Waste Management:

In an effort to reduce and minimize the amount of waste created, our studio will provide two trash bags per rental day. If you generate additional waste that overflows our outside landfill and recycling bins, a \$150 fee will be added to haul away the waste.

Surveillance:

All persons and activity on Legion Studio's premises may be video recorded for security purposes.

All ages are allowed in the space

Parking

Parking Options

There is free onsite parking and ample parking near the building.

General Rules

No Smoking:

Smoking is not permitted anywhere on the premises, including indoor and outdoor areas.

No Pets:

For the comfort and consideration of all guests, pets are not allowed within the studio space unless expressed written approve has been requested.

Equipment and Property Care:

Treat all equipment, furniture, and property with care and respect. Any damage or loss caused by negligence will be the responsibility of the guest.

Food and Drinks:

While light refreshments are allowed, please avoid messy or staining foods and drinks in the studio. Dispose of waste properly.

Safety First:

Follow all safety guidelines provided by the studio, including emergency exits and fire safety procedures.

Booking Time:

Guests are expected to arrive and depart within their designated booking time to ensure a smooth transition for other bookings.

Communication:

Maintain clear communication with studio management to address any questions or concerns.

No Illegal Activities:

All illegal activities or substances are strictly prohibited within the premises.

Parking Instructions:

Follow the provided parking instructions to ensure proper utilization of parking spaces. DO NOT block parking in front of neighboring businesses.

Respect Neighbors:

Be mindful of neighboring spaces and residents, especially when entering and exiting the premises.

Respect the Space:

Leave the space as you found it, returning any furniture or equipment to its original position.

All ages are allowed in the space
